

	Education	Science/Medicine	Religion/Church	Government	Family	Entertainment & Media
Theology: Atheism-No such thing as God	Secular Humanism from kindergarten through college.	Darwinian's Evolution	Secular & Cosmic Humanism (New Age Movement) is only accepted religion. Heaven on earth.	Since there is no God; government is the highest form of authority	Not instituted by God but created by man to be whatever brings pleasure	Sitcoms mock God and Christians & Christian morality
Philosophy Naturalism	No spiritual or supernatural world	Man has no soul. Survival of the fittest is the rule therefore abortion, euthanasia, & embryonic stem cell research is acceptable	Humanist John Dewey, signer of the Humanist Manifesto I said there is no reason for religion because man has no soul	Since there is no God, He does not move in the affairs of men and there is no divine providence	Fathers and mothers have no spiritual responsibility to their children	Life portrayed as having no meaning
Ethics Moral Relativism	Situational ethics, values clarification courses.	Moral relativism allows doctors to ignore Hippocratic Oath & perform abortions & active euthanasia	Humanists say People are basically good & Christianity is evil and intolerant because it proclaims absolute truth	Moral relativism allows legislation for abortions, active euthanasia and other such violations of the Moral Law	Abortion on demand & Active euthanasia	Hedonism is the pursuit of pleasure and is the highest pursuit of life
Biology Darwin's Evolution	Darwin's Evolution based on natural selection & DNA mistakes	Evolution is taught to the exclusion of creationism	Life devalued by doctors that reject man being created in the image of God. Scientist explore other planets looking for the origin of life	U.S. Supreme Court outlaws creation being taught along side evolution in 1987 decision	Families evolve into whatever society accepts as normal	Evolution promoted as fact and creationism as unscientific and accepted by uneducated Christians
Psychology Man Has No Soul	Death education and life boat values clarification scenarios promote that man dies and that is it	Abortion & euthanasia is acceptable because man dies and that is it	Man can solve his own problems & has no need for religion or God. Cosmic Humanists believe man can save himself	Supreme Court legalizes abortion & outlaw bans on partial birth abortion and refuses case on active euthanasia in 2005	No spiritual heritage to develop and pass on to children because there is no spiritual world	Man can solve his own problems & New Age themes promote that man can save himself while Secular Humanists promote death is the end
Sociology Non-Traditional Families	Curriculum promotes alternative lifestyle under the guise of tolerance	Artificial reproduction for same-sex couples	Hate-speech legislation threaten pastors & Christians for speaking against same-sex marriage	2004 U.S. Supreme Court declares state sodomy laws unconstitutional	Judges and legislatures battle over same-sex marriages	Same-sex marriage and same-sex couples promoted as normal and acceptable lifestyle
Law Positive Law (moral relativism applied to the law)	Courts don't allow students to pray, read the Bible be taught creationism or invoke the name of God at graduations or pray at football games	Laws allow doctors to perform abortions, partial-birth abortions and active euthanasia in certain states	Separation of church & state lie allow for persecution of Christians and secularization of America	Supreme Court embraces concept that truth is relative, morals evolve and laws should do the same. Court looks to foreign law to support decisions	Special rights for same-sex couples. Parental authority undermined by laws that allow minors to have abortions without parental consent	Judges embracing legal positivism held forth as heroes while judges, legislators & citizens that believe in absolute truth are ridiculed
Politics Globalism & World-Government	National Education Association promotes loyalty to the United Nations & global citizenship		UN passes tolerance declaration calling for prosecution of missionaries & Christians preaching Gospel	UN and World Court threaten American sovereignty	UN Convention on the Rights of the Child threatens parental authority. U.S. Senate has yet to ratify this	United Nations promoted as noble organization with admirable goals
Economics Socialism	Radical environmentalism bemoans capitalism & promotes redistribution of everyone's wealth but that of the liberal elite	Attempts to pass national health care continue as means to redistribute other's wealth	Humanists continue to call for churches and Christian organizations to loose tax-exempt status	Bigger government, higher taxes, more regulations on business to re-distribute wealth	Tax laws punish marriage, reward co-habitation, & higher taxes force moms into workforce & kids into daycare	Materialism is promoted as god and key to happiness
History Begins By Accident Through Darwinian Evolutionary Theory	Revisionist history denies America's Godly heritage & providential origin	Advancements & discoveries by Christian doctors and scientist ignored	Founding fathers that were pastors & the men of their church that were involved in American Revolution are ignored	Original Intent of founding fathers is ignored by U.S. Supreme Court in making decisions	Godly heritage, history & legacy is ignored and even discouraged as old fashion, intolerant and out of date	Revisionist history promotes lies about founding fathers, our Godly heritage, the separation of church & state & contribution of Christians
